

**TRANSPORTATION DEPARTMENT[761]**

**Notice of Termination**

Pursuant to the authority of Iowa Code sections 307.10 and 307.12, the Department of Transportation terminates the rule making initiated by its Notice of Intended Action published in the August 12, 2009, Iowa Administrative Bulletin as **ARC 8027B** to adopt new Chapter 162, "Bridge Safety Fund," Iowa Administrative Code. This new chapter was also Adopted and Filed Emergency on the same date as **ARC 8026B**, and the rules became effective July 15, 2009.

2009 Iowa Acts, Senate File 376, section 34, created the Bridge Safety Fund under the authority of the Transportation Commission and required the Department of Transportation to adopt rules. These new rules administer the expenditure of funds appropriated by the General Assembly in 2009 Iowa Acts, Senate File 376, section 13, subsection 6, for infrastructure projects relating to functionally obsolete and structurally deficient bridges on the state's primary road system. The rules describe the purpose and source of funds, provide definitions, provide general information, and establish eligibility requirements.

The Notice was published to solicit comments and to provide an opportunity for an oral presentation. Since no comments were received, no one requested an oral presentation, and no changes are required to the emergency adopted rules, there is no further need to proceed with the rule making for **ARC 8027B**.
